NOTE

As with “Lessons On Assurance” you will notice that each lesson has a corresponding verse. Begin working on your new memory verses daily, endeavoring to master each verse perfectly, word by word. Take advantage of spare moments by carrying the handy “Going On With Christ” packet with you in your purse or pocket. This packet, contains five memory verses on easy to review cards and a booklet telling why and how they apply to you.

We recommend you take a few questions each day rather than trying to do the whole study at one sitting. This will help you regulate and stabilize your intake of God’s Word.
